Chairperson Scientific Committee

Dear Colleagues,

We feel great pleasure in inviting you to the **42nd Lahore Ophthalmology** to be held from **06 - 08 December, 2024** at **Pearl Continental Hotel, Lahore**. We would like to thank you for your overwhelming support of the previous conference which was attended by more than 2000 delegates and had 96 scientific sessions. It also included subspecialty workshops held at P.C. Hotel Lahore. We are developing a very interesting scientific programme which would cater for the needs of all the participating delegates. OSP Lahore will provide you the valuable credit hours for renewing your PMC registration. Teachers Training Conference and Leadership Development Programme will again be conducted in collaboration with International Council of Ophthalmology. The scientific committee of such a big congress requires that the abstracts for all kind of presentations and courses to be submitted well in advance so that they can be peer reviewed and adequate slots given to every presenter, we take pride in running our own software for generating the scientific program which allows us to collaborate with the presenters to choose the more suitable slot for their presentation. Therefore, we would request you to please submit your abstract(s) at osplhrscientific@gmail.com. We extend a very warm welcome to you and will look forward to providing you with the best educational experience. The traditional hospitality and pleasant weather of Lahore awaits you. For more details, please visit our [website www.osplhr.org](http://www.osplhr.org)
